| 4 | LEGON CITIES FC | EL – WAK STADIUM | Club were to do the following before October 18, 2021 before re–inspection;  
- The pitch needs to be improved massively especially in the centre area.  
- Club must extend the inner perimeter fencing to 10 ft tall.  
- Club must reconstruct the stands behind the goal post since they are weak.  
- Club must construct a new main camera stands at the central point of the pitch close to the VIP area. The floor of the stand must be at the same level as the VIP roofing.  
- Club must construct two additional camera stands to be situated at the two 18-yard lines left and right of the main stand. | The following were the observations at the time of the visit;  
- The pitch is still being worked on, requires at least two weeks to be fully ready for physical activity.  
- The club indicates that a construction of temporal inner permitter is in place.  
- The club indicates that the camera stands are being constructed.  
- The club indicates that the tunnel is under construction of site.  
- The Dressing rooms needs to be painted and further cleaned.  
- The club must construct a main camera stand at the central position and two additional ones for the 18-yard line. | VENUE IS CONDITIONALLY REJECTED  
Club has until November 15, 2021 to fix all the defects identified.  
A physical re–inspection is required at a cost of GH500.00 to be paid by the club to the GFA before November 10, 2021.  
Club must play its home matches at its alternative venue (Accra Sports Stadium) until a final decision is taken on El – WAK.  
Club is to take note that the final decision at El – WAK shall be final and not revisited until the start of the 2nd round. |
| 5 | DREAMS FC | THEATRE OF DREAMS, DAWU | Club were to ensure the following before October 28, 2021 before re – inspection;  
- A gate must be created in front of the safe zone from the car park B area. | The following were the observations made at the time of the visit;  
- A gate must be created infront of the safe zone from the car park B area. The above must be fixed before the start of the 2nd round. | VENUE IS CONDITIONALLY REJECTED

- Club is advised to find a better alternative for the passage way for the press to the conference centre.  
- The wire mesh used as the safe zone has been replaced with galvanised sheets.  
- **The club must construct an exclusive gate for the safe zone close to the dressing room area before the start of the 2nd round.**  
- Venue must be cleared of all weeds and debris.  
- The dressing room seats and lockers must be reconstructed as instructed with hanger stands. | **CONDITIONALLY APPROVED**  
Defects must be fixed before the start of the League. |
